The Committee on the division of the Conference submitted their report, which was adopted as follows:

REPORT ON DIVISION OF CONFERENCE.

The Committee on Division of the Conference make the following report:

The Committee is unanimous in the opinion that the time has come when the Conference should be divided into two Conferences. The reasons for this opinion are the following:

1. It is palpable to all that the Conference has grown too large, and burdensome, to be entertained at our Annual Sessions except in a very few of our largest cities; while many of our smaller towns both in the East and West, anxious to extend to us their hospitality, are deprived of this privilege, and the blessings accruing from our gatherings.

Secondly, The territory of our present Conference stretches over a scope of country of about 400 miles in length, embracing two totally dissimilar climates which endanger the health of the preachers who do not remain long enough in either to become acclimated; and furthermore this length of travel forces upon them bills of heavy expenses which diminish the small pittance left them after their necessary expenses are paid at home.

Thirdly and chiefly, It is believed that the spread of the gospel will be promoted by this measure. There is a long strip of country lying between the borders of this and Holston Conference which will never be properly cultivated until a new Conference stretches over it; besides many corners and nooks in the mountains that will not probably be reached except through a new Conference. *Furthermore*, it is well known that the division of large Churches and Circuits tend to more rapid development and fruitfulness, and this is equally true in reference to Conferences.

Fourthly, The division seems to be a foregone conclusion—a mere question of time. The people of Western Carolina have spoken out for it on both sides of the Blue Ridge in their official meetings. The growing number will soon force it upon us, and this is peculiarly the auspicious time, lest the territory we need slip from our hands.

Finally, it is believed that with the transfer of the State territory lying within the bounds of the Holston Conference, if no more is obtained, we would have material enough to form two respectable Conferences. We have in the Eastern Division about 36,000 Church members and 100 pastoral charges; in the Western, about 25,000 Church members and 70 pastoral charges. These numbers

would make both Conferences larger than twenty of the other Conferences in the M. E. Church, South. It would make the Eastern about the sixth, and the Western about the seventh on the list of our Conferences. With these reasons stated your Committee submit the following:

Resolved, That we as a Conference memorialize the General Conference to meet in Atlanta, Ga., in May next, to transfer to the N. C. Conference all the territory in the State of N. C., within the bounds of the Va. and Holston Conferences. But, if in the wisdom of that Body, they should refuse the request to transfer us the territory of the Va. Conference in this State, and will transfer us the territory of the Holston Conference within this State, we request that a division be made, the line running along the Eastern boundaries of the Charlotte and Salisbury Districts on the East and with the State lines of North Carolina Westward.

H. T. HUDSON, Ch'm.

The Conference then adjourned with the benediction by Dr. Closs.

The Journal of the Fifth Day was read and approved.

The Committee on the Bible cause presented their report, which was read and adopted as follows:

REPORT OF THE COMMITTEE ON THE BIBLE CAUSE.

The Bible is the basis of our faith, and source of our hope for pardon and everlasting life. It contains the rules of our practice, and in accordance with its teachings, we inaugurate all the enterprises of the Church. It is our duty, therefore, to use the most efficient means in searching out and supplying the destitute with the written word of God. With the information we have been able to gain, we are not prepared to say that the interest manifested has been in proportion to the demands. The object of the American Bible Society is to disseminate spiritual truth by putting the inspired word into the hands of all nations and tongues. Therefore,

Resolved, That the members of this Conference renew their efforts to co-operate with the American Bible Society in carrying out its purpose.

Resolved, That where the auxiliary societies have gone down, we assist in reorganizing them, or in establishing new ones, wherever in the judgment of all concerned, the most good can be accomplished.

In our judgment the consolidation of North and South Carolina into one District, has impaired the efficiency of the Agent in his work in N. C. Therefore,

Resolved, That we suggest to the American Bible Society the propriety of appointing an Agent for this State. And,

WHEREAS, we do not believe that the importance of this work has been brought intelligently before our people.

Resolved, That we recommend, as a source of information, the Bible Society Record, the organ of the American Bible Society; and that the Secretary be requested to furnish the editors of the Raleigh *Christian Advocate* a copy of these resolutions for publication.

J. SANFORD, Chairman.

The Committee on Church property presented their report. It was adopted, as follows:

REPORT OF COMMITTEE ON CHURCH PROPERTY.

Your Committee on Church property are gratified at being able to report, that there has been, not only an increase in the number of churches and parsonages within the bounds of the Conference during the past year, but considerable attention has been given to repairing and improving them. Indeed, when we consider the very great depression in monetary matters, the progress made has been truly gratifying.

The attention of your Committee has been called to the fact that there is a great deal of carelessness in the execution and record of deeds, and that many conveyances of land for the erection of churches have incorporated within them a provision, that in the event the property shall cease to be used for religious purposes it shall revert to the donor or grantor. In view of this we submit the following resolutions:

1. That our preachers are earnestly requested to look carefully into the titles to our Church property, and see that deeds are properly executed and recorded.

2. That in the opinion of this Conference it is unwise to erect churches upon land when the deed therefor contains a reversionary clause, and that we advise our preachers to use their influence to secure in every instance a fee simple conveyance. Respectfully submitted.

B. F. LONG, Chairman.

The Committee on Sunday Schools presented their report.—
Adopted as follows:

REPORT ON SABBATH SCHOOL CAUSE.

The Committee to whom the Sabbath School cause was referred beg leave to submit the following report:

We duly appreciate the importance of the Scriptural instruction of the young. This duty, so repeatedly urged upon us by those who wrote under the inspiration of the Holy Ghost, cannot be neglected without irreparable loss to the Church and the world.

In the rising generation, there are possibilities capable of being developed into vital forces of great activity and power, which may be made an inestimable blessing, or an incalculable curse, according to the direction given them.

How necessary, then, that we should implicitly obey the Divine injunction: "And these words, which I command thee this day, shall be in thine heart. And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up."

But, not only should we, as a church, have the children embraced in our various charges taught the general truths of the Bible, but use all available means to make them thoroughly acquainted with the distinctive doctrines of Methodism.

As an efficient auxiliary in this great work, the Sabbath School is without a rival.

In other days it helped to fill our ranks with godly men and women capable of giving an intelligent answer to all who asked them a reason of the hope that was in them. And as this agency has been, and is now a great blessing to the Church, in multiplying and spiritualizing its forces, so will it ever be, if we do not become indifferent to the high claims which it has upon us for countenance and support.

Therefore, in conclusion, we offer the following resolution for adoption by this body:

Resolved, That the members of this Conference be requested to use all dili-

gence to resuscitate those schools that have failed, and to establish others in those congregations where none now exist.

Resolved, That they be also requested to form, so far as they may be able, the adult members of their congregations into Bible classes, that they may be taught the doctrines of the Church as they are contained in our standard works.

Resolved, That whilst we endorse the Lesson Papers, edited by our Sunday School Secretary, and recommend them to all our schools, we insist upon the use of the Catechism, believing that they are indispensable to the proper training of the children of the Church. Respectfully submitted,

A. A. BOSHAMER, Chairman.

The Committee on Books and Periodicals presented their report, which was read, and on motion of J. P. Moore was taken up by items. The assessment of the amount due the Publishing House was re-committed for corrections.

Pending the discussion, the hour of the special order arrived, viz: to receive the fraternal messengers from the A. M. E. Zion Church.

The messengers were introduced by the Secretary to the President of the Conference, who introduced them to the Conference, and they were cordially received by rising salutation. They were invited to seats.

R. O. Burton the President, responded in a most cordial and kindly greeting.

The following resolution, presented by B. Craven, was adopted, and a copy furnished to the messengers.

Resolved, That we most cordially receive fraternal messengers from African M. E. Zion Church; we extend to them, and through them to their church, an abiding interest of Christian regard, and do most devoutly pray the great Head of the Church to bless them, build them up, and make them a great power in making the kingdom's of this world the kingdom's of our Lord and his Christ.

On motion of J. R. Brooks, R. O. Burton, Dr. Closs and E. L. Perkins were appointed fraternal delegates to bear the greetings of this Conference to the African M. E. Zion Church Conference, now in session in Salisbury.

The Conference then resumed the consideration of the report of the Committee on Books and Periodicals. The report was adopted as follows:

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Some examination into the subject before us has impressed us with the vital importance of this department of christian effort. A well developed and properly directed disposition to read is an immense gain for good; not only the foundation for progressive intelligence and usefulness, but a growth of enduring strength in all church life and work. Our people must read, or we cannot stand

among intelligent christians; our solid literature must be in our houses, and must be read by our people; the literature of our fathers must not be neglected by the children. Our periodical and newspaper publications must be much more widely disseminated; they are a necessity to the church that cannot safely be neglected

Our Publishing House is in peril, and must be sustained. We are able to relieve it of all embarrassment, and we will; therefore,

Resolved, That we will raise the deficiency of \$2,584.27 yet remaining of the \$4,000 asked for by the Book Agent on the basis of the Conference Collection assessed for 1877, giving credit to all charges for the amounts already raised.

Resolved, 2nd, That a copy of the assessments for each District be put into the hands of each Presiding Elder with the plan of his District, with the request that he give the amount to each preacher, to be collected in 90 days if possible.

Resolved, That the Raleigh Christian Advocate, as the Organ of this Conference, is valuable to the work within our bounds, and does faithful service in promoting the general interests of the church.

2nd, That we recommend the Raleigh Christian Advocate to our people and the public generally, as a valuable religious newspaper, eminently appropriate and useful in families, necessary to the church as a medium to convey religious intelligence, faithful in the maintenance of public morals, and reliable as an ally in extending and maintaining the kingdom of Christ.

3rd, That we will do what we can to extend its circulation, and hope that at no distant day it may be found in all the Methodist families within our bounds.

4th, That the Bishop be requested to appoint Rev. J. B. Bobbitt, D. D., Editor of the Raleigh Christian Advocate.

The Nashville Christian Advocate is the central organ of our church, circulating over the vast field of our work, and everywhere doing good. It is valuable to the church and to the cause of God in these lands, and deserves a most liberal patronage; therefore,

Resolved, 1, That we heartily commend the Advocate to our people, and will do what we can to give it circulation throughout our bounds.

2, That we specially and earnestly recommend all our Sunday Schools to use our own Sunday School publications. They are specially adapted to our needs, and ought to be used in all our schools, and also our tune books should be used in our congregations.

Resolved, That we recommend the Southern Quarterly Review, edited by Dr. Bledsoe, as a work of great literary merit, and eminently deserving the patronage of our people.

Resolved, That we will use increased diligence and energy in distributing the books issued by our Publishing House, among our people and the public generally. Respectfully submitted,

R. O. BURTON, Chm'n.

The Committee on the publication of the Minutes reported, and on motion of O. J. Brent the following was adopted as a substitute for the original.

Resolved, That the Secretary be directed to prepare the Minutes of this Conference for publication as soon as possible, and place the same in the hands of W. C. Wolfe, of Monroe, N. C.

Resolved, That we accept the offer of W. C. Wolfe, to publish the Journal in such matter and form as the Secretary may direct; to publish and sell at ten cents per copy, entirely at his own risk.

Resolved, That the members of the Conference will sell the Minutes as extensively as possible; and promptly return the money for the same to the publisher.

Resolved That we give Mr. Wolfe the number of copies we will take and the post office to which they are to be sent.

Leave of absence was granted to B. Craven, M. J. Hunt, J. E. Thompson and N. S. Norton.

Resolution in relation to future publication of the Minutes were read, and on motion of B. Craven, were laid on the table for the present.

The Journal of the morning session was read and approved.

The Conference then adjourned, with the benediction by R. O. Burton.

SEVENTH DAY, Wednesday, Dec. 5, 1877.

Conference met at 9½ o'clock, A. M., Dr. Closs in the Chair, and was opened with religious services conducted by E. A. Yates.

The Journal of the evening session of the fifth day was read and approved.

Dr. Craven, the Secretary, being absent, O. W. Carr was appointed to fill his place.

A communication from Rev. J. L. Michaux, fraternal messenger from the Methodist Protestant Church, was received and read.

Question 20th was resumed, and all the elders of Wilmington and Newbern districts passed the examination of character.

The following resolutions passed:

Resolved, That the Centennial of Methodism in North Carolina, a book edited and published by Rev. Dr. Burkhead, as the result of the great Centennial celebration of our church, held in Raleigh, in March, 1876, is one of the most valuable contributions to the literature of the church, ever issued under Methodist auspices in North Carolina. It is full of the most valuable and interesting information, and the general distribution of it would largely advance the interest of our church and Conference.

Resolved, That we will interest ourselves, actively, to introduce it generally among our people.

T. PAGE RICAUD,
T. A. BOONE,
J. A. CUNNINGIM.
W. H. BOBBITT,

Resolved, That the next General Conference of the M. E. Church South, be requested to consider the propriety and wisdom of holding in the city of Baltimore, in the year ———, a Pan Methodist

Convention, to be composed of representatives from all branches of the great Methodist family.

ROBERT O. BURTON.
L. S. BURKHEAD.
WILLIAM CLOSS.
B. CRAVEN.
N. H. D. WILSON.
V. A. SHARPE.
W. H. BOBBITT.

WHEREAS, we deem it eminently proper to perpetuate the memory of a good and great man; and

WHEREAS, We deem a commodious and attractive church, erected in Shanghai, China, the most appropriate monument that could be reared to the memory of our late esteemed and beloved Bishop Enoch M. Marvin, who, in obedience to his church, had so recently made a tour of the world, in the interest of missionary work—declared that China was the field for us to occupy and fill, while leading the hosts of Israel to go up and possess this broad land for Christ; therefore,

Resolved 1st, That the President of our Conference Board of Missions be instructed to open a subscription to raise funds to build a church in Shanghai, known as Marvin Memorial Chapel.

Resolved 2nd, That we request our sister Conferences to co-operate with us in raising sufficient funds for the above purpose.

Resolved 3rd, That all moneys raised for the Memorial Chapel, be sent to the Parent Board of Missions, and so designated.

R. S. WEBB.
F. C. ROBBINS.
J. R. GRIFFITH.

Our book of Discipline being not only a body of organic rules for the government of the internal and external operations of the Church, but also an embodiment of doctrinal belief, distinguishing us as a Church, which should be understood, and heartily embraced by all connecting themselves with the same; and there being many who have not the opportunity of studying our standard theological authors for proof of our creed, as embraced in the twenty-five articles—the articles themselves being mere statements of doctrine without an exhibit of scripture proof; therefore, to facilitate the study of our doctrine, especially by those who have been reared under the bias of religious training in other churches, without an extended examination of the standard works of the church.

Resolved, That this Conference memorialize the approaching General Conference to revise and enlarge the Discipline by appending to each of the twenty-five Articles, the scriptural proof of the same, either in full quotations, or by marginal reference to the books, chapters, and verses, as may be thought best.

Resolved 2, That this Conference memorialize the General Conference to change the law regarding the licensing and trial of local preachers, so that they shall be licensed by the District Conference after having passed an approved examination on a prescribed course of study, and shall be tried by ministers alone as their peers.

J. T. BAGWELL.

E. A. YATES.

W. M. ROBEY.

On motion of H. T. Hudson, it was resolved that the resolutions to hold a Pan Methodist Council in Baltimore, be published in the secular papers of the State.

Question 20th was again resumed, and the elders of the Washington District passed the examination of character. This completed the call.

J. H. Hill and W. W. Albea were placed in the superannuated relation.

J. W. Avent and T. C. Moses were placed in the supernumerary relation.

An appeal case of Rev. J. P. Moore, pastor of the Henderson Circuit, was presented. N. H. D. Wilson stated the case; J. P. Moore defended the points taken in the appeal. The Bishop took the papers and reserved his decision for the present.

The Committee on Memoirs presented their report, which was read, and after remarks by several members of the Conference, touching the life and services of Bro. Thompson, the report was adopted, as follows:

REV. E. W. THOMPSON.

Rev. Eugene W. Thompson, an honored member of the North Carolina Conference, died in the town of Morganton, N. C., a few minutes before 1 o'clock, Thursday morning, April 5th, 1877, in the prime of a beautiful and noble manhood.

He was born in Kershaw county, S. C., in the year 1833. His education was received at Camden, Columbia, and Cokesbury, S. C. At the last named place he spent two years under the instruction of the Rev. George H. Round, now of Lenoir, N. C.

He was converted to God under the ministry of the Rev. H. C. Parsons, of the S. C. Conference, and was licensed to preach, and joined the S. C. Conference in 1851, with F. Milton Kennedy, now Editor of the Southern Christian Advocate, Jesse S. Nelson, Presiding Elder of Fayetteville District, Samuel B. Jones, Landy Wood, M. A. Connelly and others, and was appointed to Wadesboro Circuit as Junior preacher with Rev. Sidi H. Browne; the next year, he was sent to Spartanburg Circuit with Rev. Daniel May; the next two years he was pastor of Shelby Circuit. At the close of his last year on Shelby Circuit, he was united in marriage to Miss Jennie Lowe, daughter of Sheriff Isaac Lowe, of Lincoln county, N. C. She, with one son, survives him. Her bereavement is that of the church. But she suffers, no doubt, the keenest pangs of grief, and

our sympathies and prayers are most enlisted for the greatest sufferer.

The year after his marriage, he was sent to Lincoln circuit; the next two years he served Concord Circuit. In 1862, he was sent to Cheraw Station, S. C., where he remained until the Autumn of that year, when he joined the army of Northern Va., under Gen. Lee, as Chaplain, where he remained until the close of the war.

After the war, he served Wadesboro' Circuit four years, and was then sent to Tryon Street Church, Charlotte, where he remained one year. While he was stationed in Charlotte, the territory in Western N. C., belonging to the South Carolina Conference was transferred to the N. C. Conference, and he was transferred with it. At the session of the Conference held at Greensboro, he was made Presiding Elder of Shelby District. He remained two years on the District, but the work was considered too heavy for him, on account of a throat affection, from which he was suffering at the time, and to the regret of the entire Church, in the bounds of the District, he was sent to Fayetteville, where he remained four years. His failing health compelled him to have an assistant during the last year of his stay at Fayetteville, but growing weaker every day, he thought it best, at the close of his last year there, to take a superannuated relation to the Conference, and came to Morganton hoping that the dry atmosphere and bracing air of this mountain clime, would restore his health. But alas! that fell destroyer, pulmonary consumption, had already laid its icy hands upon him, and marked him for its own; and the powers of life gradually gave way before it until the Master said: "Come up, higher."

For twenty-three years, Bro. Thompson was a standard bearer for Christ, and during that period his character, both private and official, was unstained by a single blot. Of commanding presence and deportment, he was, wherever seen, a model specimen of the dignified Christian minister. The purity and consistency of his private life, imparted a momentum to his pulpit ministrations which secured for him a distinguished measure of success in winning souls to Christ. He was a charming preacher. I have heard him when the consolations of the gospel fell from his lips as honey from the rock, and the message of salvation came down and soothed the brow of care like an angel's wing. The pathos of his sympathy—oh! how touching and tender! Beneath its magic charm sorrow bloomed and tears were turned to gladness. "But the harp is broken, and its music is gone." The pleasant voice is hushed. The congregations of earth will listen to him never again; the pulpit will know him no more forever. "Called and chosen, and faithful." He has been summoned from among us and his name passes from the roll of Conference, but his memory will linger with his brethren as an inspiration and incentive to all that is manly and noble, and heroic in the Christian ministry.

He was very much attached to his congregation in Fayetteville, and the good people of Fayetteville without regard to religious denomination, loved him dearly. When it was seen that his earthly pilgrimage was soon to end, Bro. Claywell, of Morganton, asked him if he had any message that he would like to send to any. After thinking a moment, he said, "Yes, I would be glad if you send word to my congregation in Fayetteville, that when the last struggle came I was ready." And after a moment he said: "I would be glad to go now." I asked him several days before his death, how he felt in view of the dissolution which he saw and felt was approaching rapidly, he said he would like to live. "I feel sad," said he, "to think of leaving my wife and only son, and all of my friends. I would be pleased, if it were God's will, to live and preach the gospel, but it is all right. Please say to my brethren in the Conference that at the master's last call, I was ready."

In the history of Bro. Thompson there is no vice to deplore, and while he may have had faults, still, a world of such men would make earth very much like heaven.

Alive, he was a demonstration of christianity; being dead, he yet speaketh,

proclaiming to all that God is faithful. God be praised for such a life and for such a death.

The following was adopted:

The Committee appointed by the Joint Board of Finance to draft resolutions expressive of our appreciation of the kindness of the Church in Fayetteville toward Rev. E. W. Thompson, beg leave to report.

At the close of 1875, Rev. E. W. Thompson Pastor of the M. E. Church, South, in Fayetteville, N. C., was so prostrated that there was little prospect of his ever being able to work again, in any field.

The Fayetteville church requested the Bishop to return Brother Thompson to them and to give him an assistant preacher, promising to support them, whether Bro. Thompson should ever be able to preach or not. The two were sent, and supported, though Bro. Thompson's health continued to decline.

We believe such acts should be published, remembered, and imitated. Therefore,

Resolved, That the North Carolina Annual Conference be requested to enter the above statement on their Minutes.

2nd. That a copy be sent to the church in Fayetteville.

A. D. BETTS,

L. S. BURKHEAD.

R. A. WILLIS.

The Bishop announced his decision of the point of law in the appeal case from the Newbern District as follows:

The following question of law was raised and proposed to me, as the Presiding Officer of this Conference on an appeal case from a Quarterly Conference on the Newbern District:

"Whether, in the trial of a local preacher for immorality by a Quarterly Conference, the preacher in charge has the right to frame and present the bill of charges?"

To this question, I answer that the right to frame and present a bill of charges against a local preacher in a Quarterly Conference is confided by the Discipline, explicitly and exclusively to a Committee of investigation.

D. S. DOGGETT.

Salisbury, N. C., Dec. 5, 1877.

On motion of F. C. Robbins, it was ordered that the whole proceedings in the Quarterly Conference in the case on which the appeal was taken, be declared null and void.

The Bishop then announced his decision on the point of law in the appeal case from the Washington District, as follows:

The following questions of law were proposed to me, as the Presiding Officer of this Conference, on an appeal from the Washington District:

1. Is a specification, alledging falsehood, sufficiently definite when it names neither the place at which the conversation occurred, nor the language used alleged to be false ?

I answer, it is not.

2. Has not a local Elder, when put on trial for immorality, a right to testify in his own behalf ?

I answer that, in a proper sense, he is not in general, a competent witness. Nevertheless, when the crime is alleged to have been committed in the absence of any other party or parties, competent to testify, the statements of both the accused and the accuser, should be taken, and the Committee should give both statements whatever weight they deem them entitled to.

3. When, in the trial of a local Elder, upon a charge of immorality, if the accused is excluded, is it legal and right to allow the accuser to testify against the accused, when the matter is one between the parties and the conviction of the accused would tend to the advantage of the accuser when he is interested in the issue ?

I answer, it is not.

4. Is oral testimony admissible to prove the contents of a written instrument, when that instrument is in the possession of the party offering to prove its contents, and its own production not accounted for ?

I answer, it is not.

5. Can a local Elder be convicted upon the testimony of one witness, when that testimony is met by a positive denial of the accused and no circumstantial evidence is introduced in corroboration ?

I answer, he cannot.

6. Are members of a Quarterly Conference competent to vote in the trial of a local minister, for immorality, when they were absent during the taking of an important part of the testimony ?

I answer, the question is too indefinite to admit of a concise reply. If *all* be absent, they are not. The temporary absence of a portion of them, who have heard a part of the testimony, is no absolute bar to the voting—*provided*, they return in time to learn

from the record, the testimony given, and to discharge the duty of voting in an ordinary manner.

Salisbury, N. C., Dec. 5, 1877.

D. S. DOGGETT.

On motion of L. S. Burkhead it was ordered that the proceedings in this case in the Quarterly Conference be declared null and void.

EVENING SESSION.

Conference met at 8 o'clock, R. O. Burton in the Chair, by ap-

pointment of the Bishop, and was opened with religious services conducted by T. A. Boone.

The minutes of the afternoon session were read and approved.

On motion, Edward Howland was placed on the supernumerary list.

The Chairman of the Committee on Education presented their Report, which was read and adopted.

REPORT OF COMMITTEE ON EDUCATION.

The Committee on Education beg leave to submit the following report:

In addition to the annual reports presented by the respective Presidents of the several institutions of learning under the control of the Conference, the Committee were furnished with detailed statements of the financial interests, giving the names of creditors and the several amounts of indebtedness that are outstanding. The college agent and others concerned, have promptly submitted all information sought, so that the Committee are prepared to speak advisedly.

DAVENPORT FEMALE COLLEGE.

This fine institution, the pride and ornament of our western territory, was arrested in its usefulness by the loss of its buildings by fire on the 4th day of Feb. of the present year. In deference to the wishes of those most directly interested, the committee recommend the adoption of the following:

Resolved, 1st, That Davenport F. College be discarded from our College agency from and after this date.

Resolved, 2nd, That the Trustees of Davenport F. College are hereby authorized to adopt whatever means they may deem expedient in order to restore and re-open the institution at the earliest possible day, provided the property shall be responsible for any indebtedness incurred thereby.

Resolved 3rd, That the following gentlemen be appointed Trustees of Davenport F. College, to-wit: G. W. Harper, R. Wakefield, J. W. Wilson, B. M. Tuttle, Thos. S. Hoover, Dr. J. M. Spainhour, and M. V. Moore.

Resolved 4th, That as a Conference we do hereby endorse the action of the Trustees in accepting the "quit claim" so generously tendered by Col. W. W. Lenoir and Hon. J. C. Harper, to all reversionary interests in the said property, thereby securing to the Conference a "fee simple" title to the same.

Resolved 5th, That we profoundly appreciate the noble generosity of those who have contributed so liberally of their means, for the purpose of rebuilding the institution and also of those who have released former claims upon it.

Resolved 6th, That we will co-operate with the treasurer or financial agent of Davenport Female College, in collecting the notes and pledges due the College.

TRINITY COLLEGE.

Notwithstanding the long protracted stringency in the financial condition of the country and the formidable rivalry of other prominent institutions, Trinity College continues to enjoy a liberal patronage and is self-sustaining. With a view to enlarge her field of usefulness, and more effectually meeting the wants of the church, we recommend the adoption of the following:

Resolved, That we assure the Trustees and Faculty of our earnest co-operation in every legitimate work and method to increase the prosperity, efficiency and usefulness of the College.

Resolved, That we will render the Treasurer and financial agent our hearty assistance in collecting the notes and pledges already secured, and in their efforts to obtain new contributions.

GREENSBORO FEMALE COLLEGE.

Your Committee has carefully considered the interests of Greensboro Female

College with a view to developing some plan by which more effectually and speedily to relieve it from indebtedness, and after considering a number of plans and suggestions, are unable to determine upon any promising more success than the one now in operation. We therefore recommend the adoption of the following:

Resolved, That this Conference recognize the high moral obligation to raise the money necessary to pay the debt of Greensboro Female College and relieve the friends of that institution who have advanced money for its erection.

Resolved 2nd, That we recommend the continuation of the plan now in operation, i. e., apportioning the amount among the several pastoral charges upon basis of the apportionment of the contingent fund making the assessment six times that of the Conference collection.

Resolved 3rd, That the Bishop be requested to appoint Rev. J. A. Cunningham, Agent for Trinity and Greensboro Female Colleges.

Resolved 4th, That the Presiding Elders and preachers in charge be earnestly requested to render the Agent every possible assistance in raising money and collecting notes for this institution.

Resolved 5th, That the Conference direct that each pastor shall at such time during the year as his judgment may approve, solicit contributions in money and notes to pay the debts of our colleges on the ratio heretofore specified, and that these collections shall be reported like the usual Conference collection at our next session.

Resolved 6th, We hereby pledge ourselves, ministers and laymen, that we will use our utmost endeavors to increase as much as possible the patronage of our Conference colleges.

W. F. KORNEGAY, Chairman.

On motion of J. A. Cunningham it was ordered that the amount apportioned to Mrs. Parsons be raised to \$50.

Cordial resolutions of thanks were moved and adopted, to the citizens of Salisbury; to R. W. Best, reporter and agent of the *Raleigh Observer*; the Presbyterian, Lutheran and Baptist churches of Salisbury; the Railroads of the State; the *Charlotte Observer*, and the *Raleigh News*.

The following was adopted:

WHEREAS, The probability exists that a proposition will be made at the General Conference at Atlanta, in May next, to change the name of our Church.

Resolved, That the North Carolina Conference is satisfied with the name, "Methodist Episcopal Church, South."

J. H. WILLSON.

V. A. SHARPE.

On motion of F. H. Wood, the following resolution was adopted:

Resolved, That the Secretary of this Conference be requested to incorporate into our Minutes, the paper read by Bishop Doggett on last Sunday, on the life, character and labors of Bishop Marvin, as published in the *Advocate*, at Raleigh.

The assessment for the relief of the Publishing House was adopted.

A resolution of thanks to the Post Master at Salisbury for unusual courtesies to the Conference, was adopted.

On motion, the following resolution was adopted by rising vote:

Resolved, That the thanks of the Conference are hereby tendered to the presiding Bishop for the able and courteous manner in which he has conducted the business of this Conference.

On motion of E. A. Yates, the Bishop was requested to re-appoint A. W. Mangum Professor in the University of North Carolina. J. C. Smith was discontinued, on motion of Dr. Closs.

The Bishop announced his decision in the point of law in the appeal of J. P. Moore, from the ruling of the Presiding Elder of the Raleigh District.

In the case of the appeal of Rev. J. P. Moore, preacher in charge of Henderson Circuit, from the decision of the Presiding Elder in a Quarterly Conference,—I decide that, under our present economy, when a preacher voluntarily declined to occupy a parsonage on his charge held “as a place for the use and occupancy of the preachers of the Methodist Episcopal Church, South,” he has no claim to the said property, and no right to control the proceeds thereof for his own benefit. I therefore affirm the decision of the Presiding Elder in the case.
